

Looked After Children (LAC) and Previously Looked After Children (PLAC) Policy

September 2026

Review September 2027

1.1 Rationale

Exceptional Ideas Ltd recognises that looked after children (LAC) and previously looked after children (PLAC) can experience specific and significant disadvantages within a school setting. We are committed to ensuring that they reach their potential in all areas. We recognise that LAC and PLAC may have faced significant trauma in the form of adverse childhood experiences (ACES), including abuse, neglect, loss and/or rejection. When children are exposed to these adverse and stressful experiences, it can have a long-lasting impact on their learning, as well as on their ability to think and to interact with others.

Despite having as broad a range of abilities as their peers, national progress and attainment data clearly show that LAC and PLAC are at greater risk of exclusion and are particularly vulnerable to underachievement. Helping LAC succeed and providing a better future for them is a key priority in our school.

Exceptional Ideas Ltd believes that the educational experience of all children should be positive and powerful and aims to provide a learning environment in which every LAC and PLAC can be successful. We believe that this school has a major part to play in ensuring that LAC can be healthy, stay safe, enjoy, achieve, make a positive contribution to society and achieve economic wellbeing. School can be a source of stability for children who may have been subject to emotional distress and disruption. School can be the place where children maintain friendships and a place where they feel safe and thrive.

2.0 Policy (Legal Framework)

2.1 Looked after children (LAC)

The term 'looked after' has a specific, legal meaning, based on the Children Act 1989: a child is 'looked after' by a local authority if they fall into one of the following:

- is provided with accommodation, for a continuous period of more than 24 hours [Children Act 1989, Section 20 and 21]
- is subject to a care order [Children Act 1989, Part IV]
- is subject to a placement order.

2.2 Previously LAC children (PLAC)

PLAC children are those who:

- are no longer LAC by a local authority in England and Wales (as defined by the Children Act 1989 or Part 6 of the Social Services and Well-being (Wales) Act 2014) because they are the subject of an adoption, special guardianship or child arrangements order; or
- were adopted from 'state care' outside England and Wales. 'State care' is care provided by a public authority, a religious organisation, or any other organisation whose sole or main purpose is to benefit society.

Every local authority is required to appoint an officer to make sure that their duty to promote the educational achievement of LAC and PLAC is properly discharged; this officer is called the Virtual School Head (VSH). The duties of the VSH are defined in the DfE statutory guidance “Promoting the education of looked after children and previously looked after children” – February 2018.

The proprietors must ensure that an appropriately qualified and experienced member of staff undertakes the responsibilities within the school to promote the educational achievement of LAC and PLAC on the school’s roll; this person is the ‘Operational Senior’ in our schools.

3.0 Principles

Exceptional Ideas Ltd is committed to enhancing the achievement and welfare of LAC and PLAC in the following ways:

- Ensuring staff awareness of, and sensitivity to, the difficulties and educational disadvantages of LAC and PLAC.
- Providing a climate of acceptance and challenging negative stereotypes.
- Having high expectations for the child and ensuring equal access to a balanced and broadly-based education that meets the needs of the individual child.
- Ensuring that LAC and PLAC students have the opportunity to participate fully in all aspects of the school, including the curriculum, careers guidance, extra-curricular activities, work experience.
- Ensuring LAC have a Personal Education Plan (PEP) that addresses all aspects of education including health and wellbeing and ensures that appropriate support is in place to promote progress.
- Ensuring that carers/parents, social workers and virtual school staff (where relevant) are kept fully informed of their child’s progress and attainment.
- Ensuring that LAC and PLAC students are involved, where practicable, in decisions about their education, including affecting their future provision.
- Maintaining and respecting the child’s confidentiality wherever possible. See Student Privacy Notice and General Data Protection policies.
- Prioritising a reduction in exclusions and promoting attendance.
- Ensuring discretion when addressing a child’s care status and ensuring there is sensitivity to the background of children who are looked after, especially regarding schoolwork on “family”.

4.0 Procedures

4.1 Admissions

Exceptional Ideas Ltd. welcomes all LAC and PLAC.

4.2 The PEP (Personal Education Plan)

A PEP will be initiated within 20 school days of the LAC starting at the school and will be reviewed regularly and as necessary (at least termly and within 6 months of the previous PEP). The PEP will provide a regular opportunity to review progress, note any

concerns, ensure appropriate support is in place and set Specific, Measurable, Achievable, Relevant and Time-bound (SMART) targets. The child should be involved in their PEP by attending the meeting and/or sharing their views in any format that works for them.

We will have robust arrangements in place to ensure that any undiagnosed special educational needs are reflected in the PEP and addressed through the Special Education Needs and Disability (SEND) framework as soon as possible.

4.3 Pupil Premium Plus (PPP)

PPP for LAC will be delegated to schools by the relevant virtual school. We will allocate the Pupil Premium Plus funding (PPP) to support appropriate provision for individual LAC, meeting the objectives set out in this policy and the child's PEP. We will work in partnership with the child's Virtual School to ensure that LAC receive the full range of support to which they are entitled to enable them to make progress and achieve in all aspects of school life.

For PLAC, the PPP funding will go directly to the school's budget if the child is listed as PLAC on the January census. The use of this funding will be identified in consultation with the young person and their parents.

4.4. Exclusions

Exceptional Ideas Ltd. recognises that LAC and PLAC are particularly vulnerable to exclusions. Where a LAC/PLAC is at risk of exclusion, the school will try every practicable means to maintain the child in school. Consultation with social workers, the Virtual School and other relevant parties will be important in identifying strategies to minimise the risk of exclusion.

If an exclusion is unavoidable, the reintegration meeting should consider all possible measures and resources that provide support and prevent further exclusions.

4.5 Confidentiality

Many LAC do not want school staff to be aware of their care status because it makes them feel different. We will maintain and respect the child's confidentiality in consultation with the social worker, carer, young person, and other parties. Once this has been agreed, complete confidentiality is to be maintained and information on LAC will be shared with school admin and teaching staff on a "need to know" basis.

All staff will do their utmost to maintain the child's confidentiality e.g., avoiding reference to their care status/PEP meetings in front of their peers.

4.6 Links with other agencies

The school recognises the value of working together with other agencies and organisations and will work closely with colleagues from services involved with LAC and PLAC, such as:

- Social Care teams; virtual schools, Educational Psychology, health services, CAMHS; Youth services.
- Offending Teams.
- Other professionals where involved such as Occupational Therapy and Speech and Language Therapy.

5.0 Responsibilities

5.1 Proprietors / Directors

All proprietors/directors should be fully aware of the legal requirements and guidance on the education of LAC and PLAC.

Director

The director will work in co-operation with the headteacher and operational senior as the named staff responsible for implementing this policy.

The director should:

- ensure the school has a coherent policy for LAC and PLAC that is regularly reviewed, considering the relevant statutory guidance and that other school policies support their needs.
- ensure LAC have equal access to all areas of the curriculum.
- allocate resources to meet the needs of LAC and PLAC.

Head Teacher

The responsibilities of the headteacher are:

- To ensure that the operational senior has received appropriate training and has the necessary time and resources to carry out the role.
- To ensure that procedures are in place to monitor the admission, progress, attendance, and any exclusion of LAC and ensure strategies are in place to address any concerns in these areas.
- To report on the progress, attendance, and behaviour of LAC to all parties involved.
- To ensure that all staff receive relevant training about the needs of LAC and PLAC and are aware of their responsibilities under this policy and related guidance.
- To ensure that Pupil Premium funding is used effectively to support appropriate provision for individual LAC.

Operational Senior

Government Guidance says that the Operational Senior should be “someone with sufficient authority to make things happen, who should be an advocate for LAC and PLAC, assessing services and support, and ensuring that the school’s Looked After and Previously Looked After Children Policy shares and supports high expectations for them.”

They will:

- Understand the role of carers, social workers, and other relevant parties, be the named contact for them and maintain regular communication with them.
- Understand the role of virtual schools and respond promptly to requests for information.
- Act as an advocate for LAC and PLAC to maintain high aspirations, allow them equal access to educational opportunities and support with important decisions affecting future life chances.
- Ensure a welcome and smooth induction for the child and their carer, using the PEP to plan for that transition in consultation with the child's social worker.
- Be pro-active in supporting transition to a new school or phase of education and ensure the speedy transfer of information along with the induction lead.
- Be responsible for the implementation of the child's PEP and lead in promoting their educational achievement. This includes monitoring academic progress and attendance, and ensuring the necessary support is in place to meet the child's learning, social and emotional needs.
- Take lead responsibility for ensuring school staff understand the things which can affect how LAC and PLAC children learn and understand the need for positive systems to support them, whilst maintaining appropriately high expectations for their educational achievements.
- Ensure that each LAC and PLAC has an identified key adult that they can talk to at school.
- Set up timely meetings with relevant parties where the student is experiencing difficulties in school or is at risk of exclusion.
- Maintain an up-to-date record of the LAC in school, ensuring all necessary information is passed to other staff as required on a strictly 'need to know' basis and reporting annually to the directors, maintaining confidentiality of all LAC and PLAC.
- Promote inclusion in all areas of school life and encourage LAC to join in extracurricular activities and out of school learning.
- Attend training as required and keep fully informed of latest developments and policies regarding LAC.

All Staff

All staff should:

- Be aware of the impact of trauma (including abuse, neglect, loss and separation) on children's development and their ability to build relationships, and how this might affect their behaviour.
- Have high aspirations for the educational and personal achievement of LAC and PLAC, as for all students and work to ensure they achieve stability and success at school.
- Understand how important it is to see LAC and PLAC children as individuals rather than as a homogeneous group, not publicly treat them differently from

their peers, and show sensitivity about who else knows about their LAC or PLAC status.

- Use effective classroom strategies to meet the needs of LAC and PLAC and be aware that some curriculum content may trigger difficult emotions, such as schoolwork on “family”.
- Keep the Operational Senior informed about LAC and PLAC children’s progress, respond promptly to requests for information and discuss any concerns about barriers to learning (including bullying).
- Appreciate the central importance of the LAC child’s PEP in helping to create a shared understanding between teachers, carers, social workers and, most importantly, the child’s own understanding of how they are being supported.
- Engage with relevant training that is offered to enable them to work effectively with LAC and PLAC.

6.0 Links to other policies

The needs of LAC and PLAC should be kept in mind in all other policies including:

- Behaviour and Discipline Policy
- Exclusions Policy
- Child Protection and Safeguarding Policy
- Risk Management Policy.
- Anti-Bullying Policy

7.0 Monitoring and Evaluation

This policy will be reviewed annually.
