SAFEGUARDING STATEMENT

04.09.2025

Exceptional Ideas Ltd. is committed to providing a safe, secure, and healthy environment for all our students, staff and visitors.

We believe that if this commitment is to be put into practice, then our safeguarding policies and procedures must be adhered to, communicated, fully understood and applied by everybody associated with the organisation. We commit to following up all safeguarding concerns regardless of level of severity.

Exceptional Ideas Ltd. will:

- Ensure that good practice is maintained in terms of all staff recruitment, vetting, induction and training.
- Maintain clear procedures with respect to the management of Child Protection.
- Monitor and vet all visitors to our buildings during school time ensuring that visitors do not bring their own mobile phones into school in line with GDPR requirements. Professional visitors must be able to provide DBS status.
- Ensure that staff are well informed, up to date and appropriately trained to deliver the RSHE curriculum.
- Maintain a safe practice amongst all our students whilst using the internet, including meeting filtering and monitoring standards, and teach students to protect themselves online.
- Create and maintain an atmosphere in which students feel safe, supported and listened to when discussing their concerns about safeguarding issues.
- Promote clear key principles from the organisation's Behaviour and Anti-Bullying Policies.
- Continue to work towards an organisation free of all discrimination, harassment and intolerance while raising awareness with students and staff about equality and diversity issues and promoting inclusivity.
- Continue to maintain the education and welfare of students who are being taught from home.
